

CITY OF LYNN

IN CITY COUNCIL MAY 14, 1985

Ordered THAT IN- THE YEAR ONE THOUSAND NINE HUNDRED EIGHTY-FIVE
AN ORDINANCE AMENDING THE ORDINANCE RELATING TO GAS FITTING PERMITS
IN THE CITY OF LYNN

Be it Ordained by the City Council of the City of Lynn and by the authority of the same, as follows, to wit:

SECTION 1. The Ordinance Amending the Ordinance Relating to Gas Fitting Permits

In the City of Lynn, as heretofore amended, is hereby further amended AS FOLLOWS:

PERMITS REQUIRED: No pipes, tanks, gas cocks, valves or other appliances, by and through which gas, liquefied petroleum or a mixture thereof are received, and/or discharged or carried, shall be placed within the City of Lynn, except Federal Buildings in the City of Lynn, except in accordance with this ordinance, on plans approved by the Gas Fitting Inspector, and no gas fitting shall be clone, except in an emergency to repair leaks, without a permit therefor issued by the Gas Fitting Inspector, permits shall be issued to applicants who are licensed under the provisions of the Massachusetts Fuel Gas Code.

SECTION 2. REGISTRATION OF GAS FITTERS AND PLUMBERS: Every holder of a Gas Fitters or Plumbers certificate or license, desiring to do business in the City of Lynn, Shall personally register his name and business address with the office of the Gas Fitting Inspector. Notice of any change in the place of business of such Gas Fitter or Plumber shall be given immediately to the office of the Gas Fitting inspector.

SECTION 3. APPLICATION FOR PERMITS: Upon application of a Gas Fitter or Plumber, so registered, making a statement on form furnished by the Health Department of the City of Lynn that he is duly authorized by the owner to proceed with the work, said Health Department shall grant written permit to do certain gas fitting described therein, when in conformity with the Law. Drawings of proposed work shall be filed if required. Said applications must be made in person at the office of the Gas Fitting Inspector.

SECTION 4 PERMITS-TIME LIMIT: Permits shall be invalid if the work is not started within 90 days of the date thereon, unless the holder of the permit can prove to the inspector that failure to start within the 90 day period was beyond his control.

SECTION 5: GRANTING OF PERMITS: No permits shall be granted and no gas fitting shall be done except in accordance with the terms and conditions prescribed by the Massachusetts Fuel Gas Code, established under General Laws of Massachusetts, Chapter 142, Section 13.

CITY OF LYNN

In City Council _____

Ordered that _____

SECTION 6: NOTIFICATION OF COMPLETION: The holders of said permits must notify the Gas Fitting Inspector when the installation is ready for inspection and/or test, and also upon completion of the installation for final inspection.

SECTION 7. DISCRETIONARY WORK: The acceptance of all work of any kind of nature not provided for in the ordinance shall be left to the discretion of the Gas Fitting Inspector.

SECTION 8: VIOLATIONS: No person shall aid or abet any Gas Fitter and/or Plumber to violate the provisions of this ordinance, or employ an unlicensed person or permit his employment in the performance of any work which is required by this ordinance to be done by a Gas Fitter and/or Plumber.

SECTION 9: VIOLATION PENALTIES: Any person violating any provisions of this ordinance shall be punished by fine not exceeding Fifty (\$50.00) Dollars for each offense.

SECTION 10: FEES: Fees for gas fitting permits shall be as follows:

- A. Initial fee of Five (\$5.00) Dollars shall be charged for the application for a permit to do gas fitting.
- B. For all residential buildings which require gas fitting, a fee of Ten (\$10.00) Dollars shall be charged for a permit. This fee shall include installation of one (1) boiler or furnace and two (2) additional fixtures or appliances, and Two (\$2.00) Dollars additional for each added fixture or appliance.
- C. For all commercial buildings which require gas fitting, a fee of Ten (\$10.00) Dollars shall be charged for a permit. This fee shall be for a boiler, furnace or process manufacturing equipment, and Three (\$3.00) Dollars additional for each added fixture or appliance.
- D. For all cases where a single gas appliance or fixture shall be replaced with a new appliance or fixture, a permit shall be required and a fee of Two (\$2.00) Dollars shall be charged.
- E. For all cases where a single gas appliance or fixture shall be installed, a permit shall be required and a fee of Three (\$3.00) Dollars shall be charged.
- F. For all cases where a single gas boiler, furnace, unit heater, engine, generator or combination heating and cooling unit shall be installed, a permit shall be required and fee of Six (\$6.00) Dollars shall be charged.

- G. All burners that are installed in furnaces or boilers, other than designed atmospheric units, of over 400,000 btu/hr input shall require a permit and a fee of Fifteen (\$15.00) Dollars shall be charged.
- H. Emergency temporary heat for buildings under construction or repair shall require a permit and a fee of Six (\$6:00) Dollars shall be charged.
- I. Replacement of gas distributing pipe and fittings shall require a permit and a fee of Two (\$2.00) Dollars shall be charged.
- J. For each additional visit made necessary because of unacceptable equipment, materials and workmanship, a fee of Five (\$5.00) Dollars shall be charged.
- K. For all cases, fees shall accompany the application for the permits.
All fees shall be payable to the City of Lynn.

SECTION 11: All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

SECTION 12. This Ordinance shall take effect thirty-one (31).days after its final _ approval as adopted and advertised.

IN CITY COUNCIL FEBRUARY 3, 1981

IN THE YEAR ONE THOUSAND NINE HUNDRED EIGHTY-ONE
AN ORDINANCE AMENDING THE ORDINANCE RELATING TO GAS
FITTING PERMITS

Be it Ordained by the City Council of the City of Lynn and by the authority of the same, as follows, to wit:

SECTION 1, The Ordinance relating to Gas Fitting Permits, as, heretofore amended, is hereby further amended: as follows:

PERMITS REQUIRED: No pipes, tanks, gas cocks, valves or other appliances, by and through which gas, liquefied petroleum or a mixture thereof are received, and/or discharged or carried, shall be placed within the City of Lynn, except Federal Buildings in the City of Lynn, except in accordance with this ordinance, on plans approved by the Gas Fitting Inspector, and no gas fitting shall be done, except in an emergency to repair leaks, without a permit therefor issued by the Gas Fitting Inspector. Permits shall be issued to applicants who are licensed under the provisions of the Massachusetts Fuel Gas Code.

SECTION 2_a REGISTRATION OF GAS FITTERS AND PLUMBERS: Every holder of a Gas Fitters or Plumbers certificate or license, desiring to do business in the City of Lynn, shall personally register his name and business address with the office of the Gas Fitting Inspector.
